Lyme requires a mutli-dimensional approach. With the use of Quantum Reflex Analysis, Zyto, and nutritional support we can identify the Lyme, its supporting bacteria and remediate them. Returning the person to one's health

Groton Wellness, a pioneering center for health and healing, was founded by husband and wife team, Dr. Bob Evans, DMD, and Dr. Jean Nordin-Evans, DDS, IBDM, ND, as a whole-health dental practice which believes that a person's teeth are the gateway to health for the entire body. Experts practicing adult and pediatric dentistry, orthodontics, integrative medical and spa treatments, energy medicine, spiritual connection, and a clean-food café that serves nutritious, whole-food dishes in which many of the ingredients are purchased from local farms. Groton Wellness is the only holistic center of its kind in the United States.

Services provided: Holistic, biological dentistry, integrative medicine, detoxification spa and a clean-food café.

Areas of specialty: The center offers a toxin removal education program, designed to inform patients about toxic dental materials, including bridges, crowns and silver fillings, which are comprised of 50 percent mercury—the most toxic substance known to mankind that is not radioactive. Mercury is a toxic material that can escape from fillings in vapor form and become absorbed directly into the brain, depleting and suppressing the immune system. The rate of vaporization increases when the fillings are stimulated by hot liquids, chewing and even brushing teeth. Dr. Nordin-Evans explains, “Mercury toxicity is a cumulative toxicity, storing itself in many tissues of the body for years, and possibly is the cause of chronic maladies that have affected people for years.”

Healing/healthy living philosophy: “Treating you as an individual, not your individual parts, is our unique wellness approach to health and healing,” says Dr. Nordin-Evans. “Rather than treating just your symptoms, we partner with you to find and fix the root cause of your health issues.”

Jean Nordin-Evans, DDS, IBDM, ND, Groton Wellness, Mill Run Plaza, 493 Main St. (Rte.119), Groton. To schedule an appointment or for more information, call 978-449-9919 or visit GrotonWellness.com.
